## LT. HENRY WEBB KILLED

Glendale was greatly shocked Tuesday afternoon by a telegram announcing that aviator, Lt. Henry Webb had met his death in an airplane accident in Oregon, where he was on duty for the government patrol fire service. His wife who had been visiting her parents, E. W. Henry and wife of E. Park Ave., just left here Monday for their home at San Diego in order to be there on her husband's return home which was expected soon.

Lieut. Webb had been a resident of Glendale, more or less, for the past seven or eight years and was a most estimable young man, taking an active part in the young peoples work of the Methodist church and his tragic death is a severe shock to all.

## CHANGES ON BRAND BLVD.

Kemper Campbell has bought the property adjoining him on the south at 1420 S. Brand, recently vacated by the Small family. He is having the house moved to the south-east corner of the lot, where it will be remodeled for the use of his mother and sister who are now residents of Los Angeles. He is planning some landscape gardening which will make the place "A thing of beauty and a joy forever".

## DELONCOS BUY IN TROPICO

Louis Delonco and wife, the genial successful proprietors of The Glendale Dye Works have purchased residence property on Florence Place, near Central and Park avenues and will soon be at home "neath their own vine and fig tree".

The house is a new five room colonial bungalow, with all the modern conveniences and very pleasantly located.

## P. E. O. MEETING.

Chapter A. H. of the P. E. O. held its regular meeting at the home of Mrs. J. Hobbs on S. Central, Tuesday afternoon. It was the regular business session and no luncheon was served. So far no philanthropic work has been planned except the support of the French orphan adopted by the organization. Its meeting day was Fridays but has been changed to the first and fourth Tuesdays, the regular luncheon being served on the last meeting day of the month.

## CHURCH WEDDING

Last Saturday morning at nine o'clock, with only the immediate relatives present and Father O'Neil officiating, Miss Louise Lambermont and Mr. Rennie Laret took the solemn vows which joined their hearts and lives as one.

The bride was attended by Miss Martha Laret, while Raymond Laret acted as best man.

Following the ceremony a wedding breakfast was served at the home of the bride's mother on San Fernando Road.

The "newly weds" will make their home in Los Angeles, Mr. Laret being employed by the S. P. Railway.

The bride has a host of friends in this community, who will join the Herald in congratulations and best wishes.

## CERRITOS P. T. A.

Mrs. A. H. Brown of Gardena Ave. past president of the Cerritos Parent-Teacher Association, presided while Mrs. Eustace B. Moore was installed as president last Thursday afternoon at

the Cerritos Ave. school. The program included a recitation by Herbert Sharp and a piano solo by Beryl Goodale.

The speaker of the day was Mrs. Eggers, corresponding secretary of the first district P. T. A. She dwelt on the activities of the organization, especially referring to its clinical work in feeding and caring for children improperly nourished and clothed, and made a plea for scholarships. This was of special interest as the association is planning to accumulate a fund with which to help needy children in its own field who otherwise might not be able to go to school. She declared it should be the aim of every P. T. A. to see that no girl or boy should fail to go through High School. "Democracy could not exist" she said, "without an educated people".

Principal Harwood asked the association to provide a phonograph and Mrs. Prialux announced plans for raising money for that purpose. A vote was taken to subscribe for the Welfare Magazine, the official organ of the P. T. A., also a vote to order ten "Mothers' Congress Pins". Mrs. Ambrosch of 528 Boynton street was appointed Visiting chairman of the association.

Tea and cake made by Mesdames Pittinger and Wright were served during the social half hour that followed the program.

The Ladies Aid Society of Tropic Methodist Church held their Annual Meeting on Tuesday and elected the following officers for the coming year; President, Mrs. Valeria Kopp; Vice President, Mrs. Doughty; Secretary, Mrs. P. O. Lucas; Treasurer, Mrs. Muhlemen.

Revive yourself. Wake up! The world is full of happiness as you yourself help to make it so.

# TROPICO HERALD

"Entered as second-class matter January 25, 1918, at the post office at Los Angeles, Cal., under the Act of March 3, 1879." :: Devoted to the best interests and future welfare of Glendale, San Fernando Valley and Southern California. :: Telephone, Glendale 1500 :: Subscription, \$1.00 per year :: Advertising rates upon request.

The story is told by a traveling sales man of two merchants in an American city each of whom ordered a lot of fancy shoes. The dealers did business on opposite sides of the street, and each provided himself with identically the same kind of footwear. The salesman advised pricing the shoes at \$10, and one merchant followed his advice. The other merchant decided for himself and put samples in his window bearing the legend, "Only \$8.50." Prospective customers looked in both windows, but long before the \$8.50 shoes had been disposed of the \$10 shoes had all been sold and the merchant was ordering more. The moral of the story apparently is that one factor in keeping up the high cost of living is that there are so many persons in an average American city who spend their money recklessly, and judge the value of what they purchase by the price they are asked for it. At its top notch, in other words, the high cost of shoes is dependent upon the willingness of a sufficient number of people to pay it—Christian Science Monitor.

## TRUSTEES PROCEEDINGS

The regular meeting of the Board of Trustees was held on Thursday night, all members being present.

The minutes of the last regular meeting were approved as read.

An application was presented from Dr. Marie Magill-Corby, asking permission to conduct at 525 S Central Ave., Glendale, a convalescent Home, or health resort. The application was accompanied by references, and having the approval of the Health Officer the application was on motion granted.

A communication was presented from Mrs. E. B. Hall and four others requesting that their names be stricken from the petition which they had signed asking for the extension of

Sycamore Canyon Road. The communication was ordered to be filed.

An application was presented from Mrs. R. B. Finley for a permit to sell milk. On motion the permit was granted subject to the approval of the Milk Inspector.

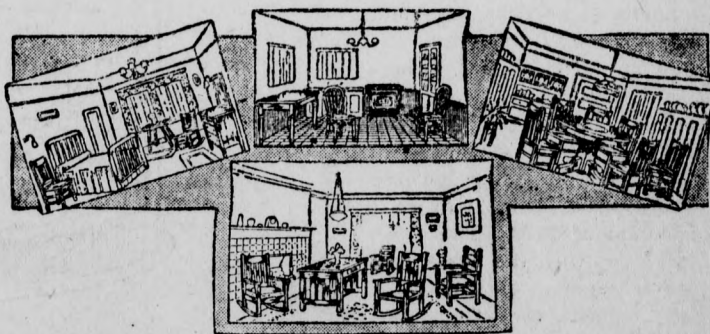

An application was presented to the Board signed by P. Dieterich and a number of other City employees, requesting permission to hunt in the uninhabited portions of Verdugo Canyon. On motion the permit was granted.

A letter from S. A. Chase, agent of

the Northwestern National Insurance Company, proposing to renew the policy on Fire Building No. 1, in the amount of \$3000 for a term of three years at the rate of \$1.25. On motion of Trustee Jackson the proposition was accepted by the following roll call: Ayes, Henry, Jackson, Muhleman, Noes, Wodberry and Shaw. On motion the City Manager was instructed to investigate and report on the practice of other cities in reference to insuring Fire Houses.

A communication was read from

Jno. Payne asking authority to construct a gallery on one side of the building located at the junction of Eulalia and San Fernando Road. On motion the application was referred to the Building Superintendent to investigate and report.

The report of the Building Inspector for the month of September was presented showing the permits granted during the month to be 42 at the valuation of \$47,951.00. Report was ordered to be filed.

A report was read from the City Manager reporting as to the progress by the Los Angeles County Flood Control Department in constructing flood protection works on the banks of the Verdugo Wash. Report filed.

Report was read from the City Manager accompanied by copy of letter written by him to Supervisor Dodge, in reply to a letter from Supervisor Dodge calling attention to the fact that the lowest bid for the construction of the bridges at Brand Boulevard amounted to \$29,863.00, which is \$9,863.00 in excess of the appropriation of \$20,000 for that object made by the Board of Supervisors. In compliance with suggestion made by Supervisor Dodge, the City Manager had written to Mr. G. W. Jones of the County Road Department, also Mr. Woodley, and he expressed confidence that the County Road Officials would do all they can to expedite the construction of these bridges. Communication filed

A communication was read from the City Manager in reference to rates to be paid volunteer firemen., and the City Attorney was instructed to draft an ordinance amending Ordinance No. 356 in accordance with the suggestion of the City Manager.

of Mandate against the Treasurer,

The City Manager made a report in reference to a pole belonging to the Telephone company on the S. E. corner of Brand and Elk, and on motion of Trustee Jackson it was ordered that the Telephone Company be requested to remove the pole within ten days from date under the direction of the City Manager, all voting aye.

The City Engineer presented a map showing proposed changes in culverts on Brand Boulevard.

In reference to the refund of taxes referred at the last meeting to the City Attorney, that official presented a communication to the effect that the best way to do was for some citizen in that district to demand of the city the refund of taxes, but that in all probability the City Treasurer would turn the payment down and then the matter would be taken to the Superior or Appellate Court for a writ

seeking to compel him to sign the warrant. In this way the case could be put directly up to the Court and a decision had.

The City Attorney had prepared a resolution abandoning certain streets in Verdugo Canyon which was adopted.

Trustee Shaw introduced an Ordinance calling a Bond Election for November 12th 1919, which was ordered to be laid over until the next regular meeting.

The Chairman presented to the Board the name of Mrs. Kemper Campbell as a member of the Library Board. On motion the appointment of Mrs. Campbell was confirmed and adopted all voting aye.

The City Attorney and City Clerk were each granted leave of absence for one week.

Adjourned.

## Jottings By The Way

By The Rambler

These do be moving times—when the landlord sells the place.

The big evangelistic campaign now going on in the big tent at the corner of Wilson and Louise streets is being well attended. Evangelist Von Bruch, accompanied by his own company of singers and musicians is also assisted by the orchestra of First Methodist church and a chorus of 100 voices.

Go some night and hear this man Von Bruch who has a direct message and delivers it in a fortetful and impressive manner. Meetings every night at 7.30 and also at 3 and 7:30 p. m. on Sundays.

Hate not that you be hated for we reap mostly what we sow.

Rambling down San Fernando way the other evening in our little Ford air ship we noticed considorable activity. The garages were a blaze of glory, an excited citizen was calling to the police to discover his auto, the monument man had started to grind out a few epitaphs and Anderson had started his new building.

Appreciate the things we have rather than worry about those we cannot.

So! The newly weds are back.

The Larsons have moved to 1812 Brand Blvd.

Mrs. Jno. Lewis and Mrs. E. Marenus were visitors in Tropico Sunday.

For the future two grins must grow where one grouch grew before.

John Green and wife are now located on West Maple.

Sh! The alphabet chasser is counting his mail this week also the houses on his beat, and the dogs, and the spokes in his bicycle wheels. Some job.

Revive yourself. Wake up! The world is tull of happiness as you yourself help to make it so.

The Dicksons of El Bonita Ave. have just returned home.

### MARGUERITE CLARK AT PALACE GRAND TONIGHT

For today, Saturday, October 11, the program offered to the theatre-goers at the Palace Grand is an exceptional one. The feature is Marguerite Clark in "A Widow by Proxy," and it is her brand new comedy, even more humorous than her success "Come out of the Kitchen." This is

MARGUERITE CLARK  
in "Widow By Proxy"  
A Paramount Aircraft Picture

a regular picture of laughs. The other attraction for the evening will be a Mack Sennett masterpiece, "Uncle Tom Without a Cabin." This is the best that they have made yet. It includes Ben Turpin, Charles Conklin and Marie Provost. The evening shows are at 7 and 9 and the matinee is at 2:30.

\* For Sunday, October 12, will be presented Joseph Patterson's famous novel of the same name, entitled "A Little Brother of the Rich." This is played by an all star cast and promises to be exceptionally good. On the same program will be seen a Henry Lehrman comedy in two reels of stunts and laughs galore, entitled "Merry Jailbirds." The matinee is at 2:30 and the evening shows are at 7 and 9.

For Monday, Tuesday and Wednesday will be shown the wonderful picture you have heard about, "The Miracle Man." This is without doubt the most wonderful picture ever shown on the screen and descriptive

words can in no way do justice to the merits of "The Miracle Man." It is acted by a cast of characters as though they lived the part. Each one in the play is a star. You must see this picture from the start to really see it right. The management of the Theatre is going to run but one show on these three nights, each night starting at 8 o'clock. The box office will be open at 7 o'clock. The prices for "The Miracle Man" will be 25, 35, and 50 cents. At the matinee, which begins at 2:30 the prices of admission will be 25 and 35 for adults and 25 cents for children. The box office for the matinee will be open at 2:00.

For Thursday, October 16, will be presented Geraldine Farrar in "The World and its Woman," in seven reels. The evening shows for this production will be a little earlier than usual, being at 7 and 9. The matinee will

be at the usual time, 2:30.

Enid Bennett in "The Law of Men" will be the feature for Friday, October 17. There will also be shown a comedy and a New Burton Holmes Wonder Travel picture.
